

### Our Church

We acknowledge and believe that the church is Christ together with His people called both to worship and to serve Him in all of life.

We know that Christ continues his ministry in and through the church, and we are called to participate with our talents both in the church and in the marketplace. So we will bring glory to God and blessings to His people to the ends of the earth.

We have four dedicated organists and a full compliment of volunteers who work very hard at maintaining our beautiful church buildings, and help our Pastoral Charge function in God's world.

We extend a warm invitation to our members, adherents, families and friends to join us in fellowship.
